AMENDMENT A

Sir:

This is in response to the Office Action mailed March 28, 2002 in the
above-identified application.

Please cancel claims 1-18, and add the following new claims:

19. A method of forming and filling in a high speed commercial filling operation
a container suitable for shipping, display and consumer use having a body and a cover from
an open-ended, partially pre-glued, partially assembled container comprising top, top front,
top side, bottom front, bottom back, and bottom side flaps, comprising:

(a) folding the top side flaps inward;
